**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am opposed to this proposal. I chose Sonic because it is a local company with good service and prices. AT&T and other large companies want to eliminate competition and raise prices with no alternative for consumers. Please leave the current law in place. Steven G. Smith I will vote accordingly if you chose to take this action. I will not support this administration if this goes through.
